

## **BOARDING**

**It's always a good time to travel. Let us take care of your cat while you are away. Our space fills up fast, especially during the holidays and summer. We recommend calling at least 3 weeks in advance to reserve a spot.**

**Boarding charge- \$15.00/day**

**Each cat is housed individually unless it is requested by the owner that house mates be housed together. Being out of their regular routine can be stressful so you are welcome to bring in bedding and toys that will make their stay more comfortable. Each cat has their own cubby which we will use to store their treats, food etc. You may bring food from home and it is encouraged for cats on a prescription diet or food allergy diet. If you choose not to bring their food, we will gladly feed them from our stock, however there is an extra charge for prescription diets.**

**Special diet (boarding)-\$2.00/day**

**For the safety of all the cats that come in to be boarded, we require certain vaccinations be up-to-date at the time of admission. For cats who do not receive vaccines from Veterinarians to Cats, proof of vaccinations from a veterinarian is required upon check-in.**

**Vaccines required:**

**FVRCP**

**Rabies**

**Please call for additional pricing and information.**

**If your cat is diabetic or requires medications, we will gladly medicate your cat while staying with us. Our staff charts bathroom habits twice daily and will administer medications at that time. There is an additional fee for medication administration.**

**Medication administration - \$1.00/day**

**Once daily insulin administration- \$1.33/day**

**Twice daily insulin administration-\$2.66/day**

**If your cat requires an exam, nail trim or any other procedure please let our friendly front desk staff know at the time of check in.**
